In the Matter of:

THE APPLICATION OF THE ELAM	)	
UTILITY COMPANY FOR PURCHASED	)	CASE NO. 8178-D
GAS ADJUSTMENT OF RATES	)	

O R D E R

On September 21, 1981, the Commission issued its Order in Case No. 8178 approving certain adjustments in rates and providing, under certain conditions, for the further adjustments of such rates when the wholesale cost of gas is increased or decreased.

On December 1, 1981, Columbia Gas Transmission Corporation ("Transmission") filed with the Federal Energy Regulatory Commission ("FERC") a rate increase proposed to become effective January 1, 1982. The Commission has no jurisdiction in that case.

On December 9, 1981, Elam Utility Company ("Elam") notified the Commission that its wholesale cost of gas would be increased by its supplier, Transmission, effective January 1, 1982.

Elam's notice of December 9, 1981, set out certain revisions in rates which Elam proposed to place in effect, said rates being designed to pass on the wholesale purchase price from its supplier in the amount of \$5,858.25.

On November 9, 1978, the National Gas Policy Act of 1978 was signed into law which established significantly higher rates for producers of certain categories of natural gas. This federal legislation has resulted in higher gas costs to interstate pipeline

companies serving the various gas consuming states, including Kentucky. Once the FERC approves the right of these interstate transmission companies to pass this increased cost on to its distribution company customers, state commissions must, in turn, pass on the matter of intrastate distributors recovering their increased cost of gas by adjusting their basic rates to their customers.

After reviewing this evidence of record and being advised, the Commission is of the opinion and finds that:

(1) The Commission has long stated (in writing to FERC) its opposition to the procedures and regulations used by the FERC in approving these supplier increases. We continue to be opposed and are continuing to seek alternative ways to overcome the regulatory inequities which have such a direct impact on the retail consumers.

(2) The FERC approval of a wholesale rate increase to a Kentucky gas retailer requires approval by the Commission of the rates that will permit the Kentucky utility to adjust its customer charges to reflect the added purchase cost, or alternately the utility must absorb the added cost. We are of the opinion that failure to allow this increase to be passed through to its retail consumers on a timely basis would be unjust to Elam and would ultimately result in higher rates to their consumers in any event.

(3) When the FERC "accepts" Transmission's filing, Transmission will begin charging Elam the new rates. This Order cannot be implemented until and unless this occurs.

(4) The Commission should allow Elam to place into effect, subject to refund, the rates set out in Appendix A as soon as Transmission's filing is "accepted" by FERC.

IT IS THEREFORE ORDERED that the purchased gas adjustment contained in Appendix A of this Order be and hereby is approved, effective on and after the date the increase in the cost of wholesale gas requested by Transmission is accepted by FERC.

IT IS FURTHER ORDERED that the rates contained in Appendix A shall be placed into effect, subject to refund, pending final determination by FERC of the rates contained in Transmission's December 1, 1981, filing in Docket No. RP81-83.

IT IS FURTHER ORDERED that Elam shall maintain its records in such manner as will enable it or the Commission or any of its customers to determine the amount to be refunded and to whom due in the event a refund is ordered by the Commission.

IT IS FURTHER ORDERED that for the purpose of the future application of the purchased gas adjustment clause of Elam the base rate for purchased gas shall be:

	<u>Commodity</u>
Columbia Gas Transmission Corporation	\$3.9054 per Mcf

Schedule SGS

IT IS FURTHER ORDERED that the information furnished this Commission by Elam on December 9, 1981, constitutes full compliance with the Commission's Order in Case No. 8178 and any other information ordinarily required to be filed under the Commission's regulations is hereby waived.

Done at Frankfort, Kentucky, this 29th day of December, 1981.
